

MS101 Series Heavy Duty Buzzers

Features

- Coin silver contacts
- Rugged metal construction
- Surface mounting
- Made in the USA

Front view

Description

Tecumseh Signals LLC buzzers are built to meet the needs of the transportation industry. These heavy duty buzzers are used for warning or indicating devices. They are enclosed and fitted with a gasket to help protect the mechanism from dust. Cover is attached with a single screw to the back mounting plate that conceals mechanism and wiring connections.

Ordering Information
